Assistant Commissioner for Patents
Washington, D.C. 20231

AMENDMENT UNDER 37 CFR § 1.111

Sir:

A petition for a three-month extension of time up to and including
November 23, 2000 accompanies this response.

Withdrawal of the prior Office Action and its finality is hereby gratefully
acknowledged. In response to the Office Action dated May 23, 2000, Applicants provide
the following amendments and remarks:

In the claims

Claim 1 (four-times amended):

1. An implantable bone paste composition comprising gelatin [as a carrier for]
and one or more substantially bioabsorbable, organic, osteogenic components for use in a
recipient in need thereof [; wherein said one or more osteogenic components are selected
from the group consisting of (i) DBM, (ii) BMP, TGF- β , PDGF, or mixtures thereof,
natural or recombinant; and (iii) mixtures of (i) and (ii)] such that upon implantation,
